Subject: Potential Reinstatement of TEP's Historic Line Extension Tariff

Mr. Gill:

Could you please add myself, on behalf of the Arizona Association of REALTORS®, to the list of stakeholders that are interested in this subject? We very much support the Commission's efforts to look into this matter and potentially reinstate some form of line extension policy as was historically done with Tucson Electric Power served area.

My contact information is as follows:

Thank you for your assistance.

Regards,

Tom Farley
